SUMMARY

UI/UX Designer with **2+ years of experience** designing web and mobile products for **enterprise and SaaS platforms**. Proficient in Figma, wireframing, prototyping, usability testing, and design systems. Strong foundation in UX research, information architecture, and cross-functional collaboration with product and engineering teams. Experienced in delivering **end-to-end product design** from discovery through high-fidelity handoff. Familiar with **AI-assisted design workflows** to accelerate ideation and prototyping cycles.

EXPERIENCE

UI/UX Designer

Numentica UI, Chennai

Mar 2024 – Present

- Designed wireframes, interactive prototypes, and high-fidelity UI for web and mobile platforms used by enterprise clients.
- Conducted user interviews, surveys, usability testing, and journey mapping to inform product design decisions.
- Built and maintained scalable UI component libraries and design systems, improving cross-product consistency.
- Collaborated with product managers and engineers to deliver user-centered interfaces aligned with business goals.
- Translated complex enterprise workflows into clean, task-based interfaces, reducing user onboarding friction.
- Applied AI-assisted design workflows to accelerate prototyping and ideation cycles.

UI/UX Designer – Intern

Numentica UI, Chennai

Nov 2023 – Mar 2024

- Created wireframes, prototypes, and UI designs for live product features using Figma.
- Conducted user research and usability testing sessions to validate design decisions.
- Supported senior designers in delivering end-to-end UX for web and mobile products.

PROJECTS

HarbourAir Website Redesign

End-to-end UX redesign of a live travel booking platform, improving navigation flow and task completion.

AnyForm Autofill AI

Designed UI for a browser extension with a privacy-first, zero-server-storage architecture.

Numentica UI

Designed enterprise SaaS dashboards and a scalable design system adopted across multiple products.

EDUCATION

Bachelor of Science, Design and Visual Communications

SRM Institute of Science and Technology | Chennai, India

2021 – 2024
